SALÓNKY CHURCHILL, KENNEDY A MASARYK

If you are interested in organizing an event of a smaller scale, we suggest our business lounges known as the Churchill Lounge (42 seats), Masaryk Lounge (30 seats) and Kennedy Lounge (24 seats), which can be interconnected if necessary. In addition, there is the opportunity to use the adjacent Old Times Bar to create a unique space greatly adaptable to the needs of the participants. High-speed Internet connection, Wi-Fi, interactive TV, projectors, interpreting services and catering are other services we provide.

ROCKEFELLER HALL

If you are interested in hosting a larger event, we recommend using Rockefeller Hall. It is a 250 m² congress hall, which is perfectly adapted for events with a larger number of people. The space has a separate entrance hall and its own toilets. Rockefeller Hall also includes a small stage. The Congress Hall is an ideal space for conferences, social gatherings and other performances. Our staff is ready to provide impeccable service and the highest level of service to all attendees.

SALÓNEK FREUD

This period lounge was named in honor of Sigmund Freud, a world-renowned physician-neurologist, psychologist, and founder of the psychoanalysis. During his lifetime, Sigmund Freud has been treated several times in our spa town where he has chosen the Rudolfshof spa house for one of his stays, which is now an integral part of the Carlsbad Plaza Medical Spa & Wellness Hotel.
